Academic Qualifications

University of St Andrews
St Andrews, Scotland

PhD in Economics — *Sept. 2022 - Present*

- The main objective of the research is to understand the dynamics of inflation from a cyclical, structural, and policy domain across advanced and emerging economies. I study the factors behind the different inflation dynamics in advanced and emerging economies.
- Chapter 1: Cyclical dynamics of inflation across major market driven advanced and emerging economies.
- Chapter 2: Two-channel transmission of global inflation across emerging economies in a DSGE setting.
- Chapter 3: Transmission of global inflation shock under financial frictions and liability dollarization.

University of Reading
Reading, England

MSc in Economics — *Sept. 2019 - Sept. 2020*

- Topic of Dissertation "Inflation Dynamics in India and United States: A Bayesian DSGE Analysis".
- Achieved a distinction grade (82.11 %) for the complete Master's Program and a score of 92 in Master's Dissertation.

University of Delhi
New Delhi, India

Bachelors of Commerce (Honours) — *Jul. 2016 - Jun. 2019*

- Achieved a CGPA of 8.365 (79.5%) in all the six semesters combined.
